Teaching

Grand Valley State University, 2021-present

Reason, Experience, Morality at the Dawn of Modernity: Early Modern Philosophy (x1)

Upper-level elective surveying figures in the Early Modern tradition, including Descartes, Spinoza, Locke, Leibniz, Berkeley, Hume and Reid. Course includes material on historical social and political context and some material focused on political philosophy from the time period.

Theories of Human Nature (x2)

Upper-level course on historical theories of the human beings, including questions of rationality, Otherness, and scientific conceptions of humanity. Course includes materials from the Ancient to Contemporary periods.

Ethics (x7)

Introductory-level course covers theories of normative ethics, selections on topics in meta-ethics and themes in applied ethics.

Introduction to Philosophy (x2)

Introductory-level course surveying a history of Western philosophy, including figures from the Ancient, Medieval, Modern and Contemporary periods. Course also introduces students into some of the major branches of contemporary philosophical reflection, including metaphysics, ethics, epistemology, philosophy of human nature and political philosophy.

Fordham University, 2013-present

Art, Morality, Politics (Senior Values Seminar) (x3)

Writing-intensive capstone seminar on the interrelationship between the domains of art, morality and politics, with a focus on the themes of nationalism and racism in the shaping of these categories of judgement. Texts include selections from Kant, Hegel, Fanon, Arendt and Rancière.

Rethinking Citizenship (Senior Values Seminar) (x2)

Writing-intensive capstone seminar on the concept of citizenship as it is understood through issues of difference and diversity. Course includes discussion of contemporary immigration debates, colonialism, and the legacy of slavery in the United States.

Issues of Life and Death (Senior Values Seminar) (x2)

Writing-intensive capstone seminar addressing philosophical issues related to death and dying, with particular emphasis on bioethical issues, including euthanasia, medical advance-directives, and issues of healthcare allocation.

Kierkegaard (x1)

Elective course on the “founder of existentialism,” covering as survey of the author’s pseudonymous works as well as his religious discourses.

20th-century interpreters read include Benjamin Fondane, Cornel West and Ada Jaarsma.

Philosophical Ethics (Writing Intensive) (x9)

Seminar version of Sophomore course, with special emphasis on writing and speaking skills.

Philosophical Ethics (x5)

Sophomore course on major traditions in moral philosophy, including virtue ethics, utilitarianism, deontology and contemporary care ethics.

Philosophy of Human Nature (Writing Intensive) (x1)

Seminar version of Freshman course, with special emphasis on writing and speaking skills.

Philosophy of Human Nature (x3)

Freshman course on the history of philosophical conceptions of human nature. Includes selections from Plato, Aristotle, Augustine, Descartes, Nietzsche, de Beauvoir and others.
